

speed-i-Jet 798

• Handy pocket format • 100% mobile • User friendly • Simple handling • Suitable for left- and right handed users • Prints up to 40 characters in one line

THE LITTLE FAST ONE

Complete independence: The speed-i-Jet 798 is the **handy marking** solution for **mobile printing** of custom texts, sequential numbers, date, and time.

The **print image** can be **created easily** on the computer before use and **transmitted via USB**.

Absorbent and even **irregular surfaces** can be **marked directly** and individually. The **handy pocket format** fits into any work clothing.

Clever: In spite of different hand motion speeds, all the **print images** will appear in **optimal quality**.

The speed-i-Jet 798 is **easy to operate**: Simply **pull it across the surfaces** to be printed on and **push the red button**. Done!

- Handy pocket format
- 100% mobile
- User friendly
- Simple handling
- Suitable for left- and right handed users
- Prints up to 40 characters in one line
